

Sing

Some words they can't be spoken only sung
So hear a thousand voices shouting love

There's a place, there's a time
In this life when you sing what you are feeling
Find your feet, stand your ground
Don't you see
Right now the world is listening to what we say

Sing it louder, sing it clearer
Knowing everyone will hear you,
Make some noise, find your voice tonight
Sing it stronger, sing together
Make this moment last forever
Old and young
Shouting love tonight

To sing we've had a lifetime to wait
And see a thousand faces celebrate

You brought hope, you brought light
Conquered fear, it wasn't always easy
Stood your ground, kept your faith
Don't you see
Right now the world is listening to what we say

Sing it louder, sing it clearer
Knowing everyone will hear you,
Make some noise, find your voice tonight
Sing it stronger, sing together

Make this moment last forever
Old and young
Shouting love tonight

Some words they can't be spoken only sung
To hear a thousand voices shouting love
And light and hope
